

Getting Over the Culture Shock

Description

Title: *Getting over the Culture Shock and going beyond national stereotypes.*

14 hours, for this workshop (7 classes of 2 hours each)

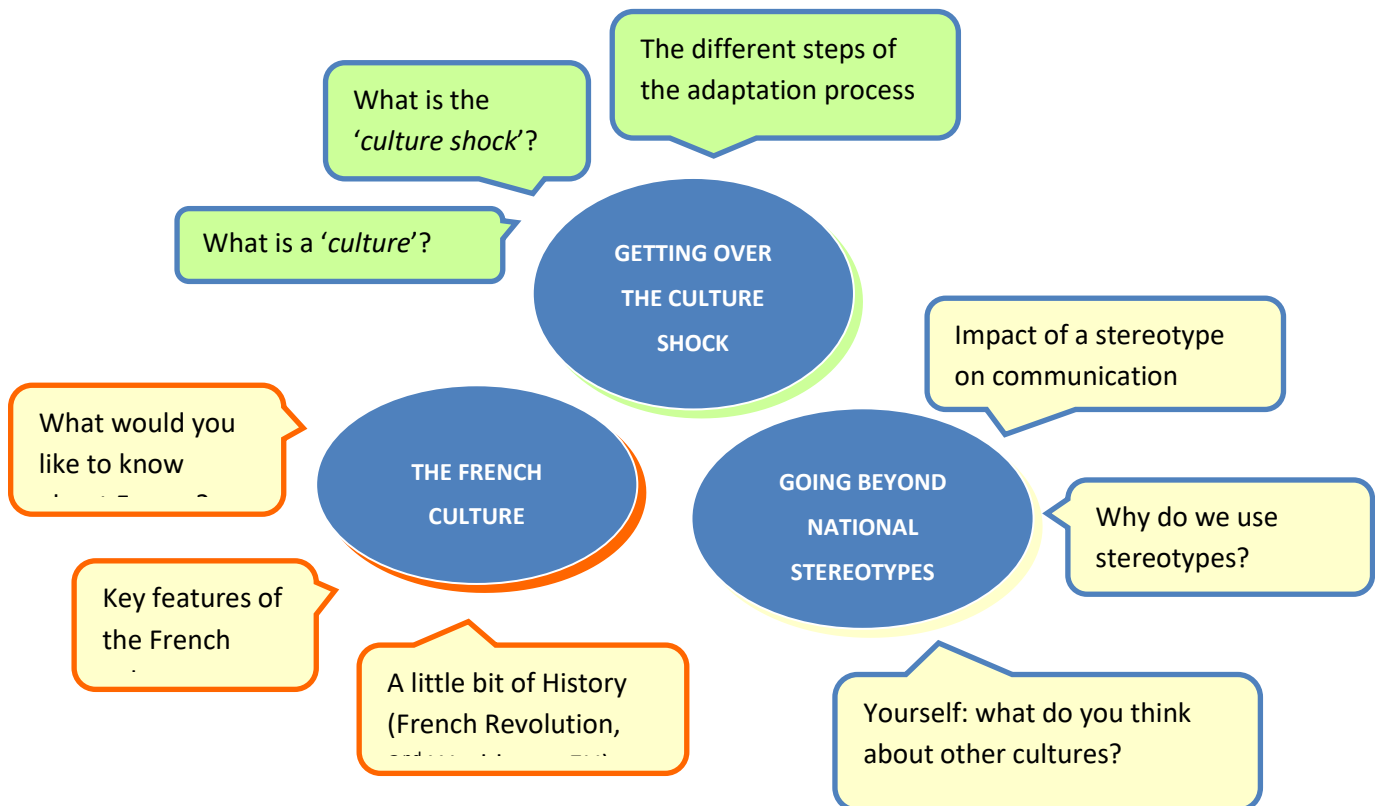

Learning Objectives and Outcomes

Participants will know more about how to adapt to living abroad, including in France.

We will focus on the following issues:

- what can make communication difficult with locals in a host country, including emotions related to Culture Shock and National Stereotypes,
- the main characteristics of the French culture.

Course Schedule and Contents

Grading

No exam... **but** attendance is mandatory, otherwise you will not receive proper credit for this workshop.

Getting Over the Culture Shock

Policies

- Attendance in every class is expected and class participation and discussion is strongly encouraged.
- Be on time.
- If you skip a class, this would only be for medical reasons; and at the beginning of the following class, you will show me a medical certificate.

Good Luck!
